# Procedures and Guidelines

The following procedures and guidelines have been established for the After-School Enrichment programs sponsored by the Sharon Public Schools for the 2022-2023 school year:

We now offer the ability to **register and pay online through our website** at [www.sharoncommunityeducation.com](http://www.sharoncommunityeducation.com). There is **no** fee for this payment service. All families, if you haven't already done so, must create an account for the family and add the child to be registered for enrichment, as this is the method for taking attendance. Payment is required at time of registration.

If you have questions regarding any of these programs, please contact the Community Education Office, 181 Pond Street, Sharon, 781-784-1574, between the hours of 9:15 AM and 4:30 PM.

Acceptance will be on a first-come/first-serve basis. Should a class sell out a waiting list will be created.

Each program has been scheduled according to the instructor's availability, as well as the facility in which the class will be held.

Activities are run only if the school is in session with the exception of classes such as Ice Skating, Tennis, Horsemanship, and Kumon as they are held at outside venues. Classes are usually not scheduled on Early Release Days. In the event of postponement, due to weather conditions or instructor unavailability, class may be extended at the end of the scheduled session.

Snacks are **not** provided. Students attending an enrichment session should bring a snack from home.

The Sharon Public Schools reserves the right to terminate or limit a child's attendance in a program when, in the judgment of the staff, the child's behavior is inappropriate.

All programs are covered under the Town of Sharon's liability insurance policy while the programs are in session and are held on Town property. Outside venues are covered by their own policies.

All After-School Enrichment Programs must be pre-paid in full and all waivers **MUST** be completed and submitted. Waivers are found online at the time of registration. Also, document upload is available. They can be completed online and emailed to us or may be printed out and mailed to our office.

If a child misses the Community Education Van for any reason, parents, then emergency contacts will be notified, and they are responsible for driving the child to the program.

It is the responsibility of the parents or guardians to notify the Community Education office at 781-784-1574 prior to 2:00 PM, if their child will be absent from the class. Communication with the child's school does not reach us.

Children are expected to ride on the Community Education Van to all the Enrichment Programs. If you choose to drive your child, stay with them, and drive them home, you must notify our office of this alternate transportation for each occurrence.

If a student has an outstanding tuition balance in any Community Education Program, he/she will not be eligible to participate in additional Community Education Programs, until the balance is paid.

Failure to pick up your child by the time indicated in the program description will result in a penalty fee of \$5.00 for each five-minute interval.

Refunds of registration fees are processed when classes are canceled dependent on status of class. Refunds for withdrawals after the start of programs will require approval from Community Education Office and the Instructor and may be subject to a processing fee.

# ACADEMICS

## **Kumon: MATH** **Grades 1-5**

Let your child amaze you. Kumon is a program designed to help children master the basics of math and unlock the potential in each child. Students begin at a comfortable starting point, determined by our placement test, with worksheets that can be easily completed. Your child will master the basics and reach complete proficiency with each successive step. This is a wonderful opportunity for children who may be struggling in math or who would like to advance to the next level. Speed + Accuracy = Mastery.

**CLASS DATES:** Tuesday, October 4, 11, 18, 25;  
November 1, 8, 15\*, 22  
**(8 weeks) \*Parents are responsible for transportation on 11/15)**

**Time:** 3:45-4:45PM

**LOCATION:** Kumon, 700 South Main St., Shaw's Plaza (781-762-6284)

**TUITION:** \$245

## **Kumon: READING** **Grades 1-5**

This reading program is designed to reinforce fundamental concepts such as sentence structure, grammar, and punctuation while helping students build their vocabulary and improve their reading comprehension skills. Through daily assignments, which are adjusted based on age and skill level, students are encouraged to take personal responsibility for their learning, strengthen their concentration skills, and develop good study habits. This dual-focus on subject area mastery and work skill is the key to each student's success.

**CLASS DATES:** Tuesday, October 4, 11, 18, 25;  
November 1, 8, 15\*, 22  
**(8 weeks) \*Parents are responsible for transportation on 11/15)**

**Time:** 3:45-4:45PM

**LOCATION:** Kumon, 700 South Main St., Shaw's Plaza (781-762-6284)

**TUITION:** \$245

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at the end of class at Kumon.

# ACADEMICS

## Sharon High School Help Desk Grade 5

Sharon High School students created this program as a part of their "Help Desk class." High School students will be running the class and supervised by district staff for the duration of the course. Please note that this class is only being offered to 5th grade students.

Through hands-on projects and collaboration, students will be introduced to intriguing mathematical concepts and problem solving techniques not typically taught in school. Students will gain a deeper appreciation for math, understand why it is useful for various fields, and hone their creative-thinking skills, which they can use in STEM in the future. Topics include the art of estimation, number theory, introductory game theory, and more!

### **CLASS DATES:**

Friday, October 7, 14, 21, 28; November 4, 18  
**(6 Weeks) (NO CLASS 11/11)**

**TIME:** 3:45-4:45PM

**LOCATION:** East Elementary

**TUITION:** \$30

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 4:45PM from East Elementary Cafeteria.

# PHYSICAL ACTIVITIES

## TENNIS Grades 1-5

Experience the wonderful world of tennis. This program will introduce tennis to beginners and help build on beginner skills in those with a little tennis experience. Your young superstar will learn tennis by developing their hand-eye coordination, ball striking, control, and competitive skills. Students should bring their own racquet. Players will be organized into groups according to their tennis ability.

### **CLASS DATES:**

**Session I:** Monday, September **26\***; October 3,  
**10\***, 17, 24, 31 **(6 Weeks)**

Thursday, September 29; October 6,  
13, 20, 27; November 3 **(6 Weeks)**

**\*Parents are responsible for transportation  
on 9/26 & 10/10**

**Session II:** Monday, November 7, 14, 21, 28;  
December 5, 12 **(6 Weeks)**

Thursday, November **10\***, **17\***;  
December 1, 8, **15\***, 22 **(6 Weeks)**

**\*Parents are responsible for transportation  
on 11/10, 11/17, & 12/15**

**TIME:** 4:00-5:00PM

**LOCATION:** Brown Billone Tennis, 153 Chestnut  
St., No. Easton (508-297-1599)

**TUITION:** \$185

**Equipment Needed:** Please make sure that your child brings their own tennis racquet and has the proper athletic attire for class.

**Transportation:** Round-trip van transportation is provided to this program. Parents are responsible for picking up their child promptly at Cottage Street Cafeteria at 5:20PM.

# PHYSICAL ACTIVITIES

## ICE SKATING

### Grades 1-5

Ice Skating lessons are fun, goal-oriented classes for beginners through advanced levels. Students will be introduced to the basic foundations, such as skating forwards and backwards, stops, edges, crossovers, and turns. Students will be assigned to small groups no larger than 12 skaters based on their age and ability. Waivers must be accessed online and returned to the Community Ed. Office prior to your child participating. There will be three (3) sessions offered this term, please be sure to select the correct day when registering.

#### **CLASSES:**

Saturday, September 10, 17, 24; October 8, 15, 29; November 5 **(7 Weeks) (NO CLASS 10/1 & 10/22)**

**Time:** 12:50-1:40PM

**Tuition:** \$250

Sunday, September 11, 18, 25; October 9, 16, 30; November 6 **(7 Weeks) (NO CLASS 10/2 & 10/23)**

**Time:** 1:20-2:10PM

**Tuition:** \$250

Monday, September 12, 19, 26; October 3, 24; November 7, 14, 21 **(8 Weeks) (NO CLASS 10/10, 10/17 & 10/31)**

**Time:** 7:00-7:50PM

**Tuition:** \$278

**LOCATION:** The Skating Club of Boston, 750 University Ave., Norwood (617-782-5900)

**Equipment Needed:** Participants should bring their own skates and a helmet **MUST** be worn.

**Transportation:** Parents are responsible for driving their child to and from Skating.

# PHYSICAL ACTIVITIES

## HORSEMANSHIP

Grades 1-5

Come and join us for an amazing adventure at the farm! Both new and returning students will find our sessions informative and fun! Each week we will be focusing on a different subject of hands on horse care. Horsemanship at Highwater provides a safe, experienced environment so that every student can enjoy time spent with these magnificent creatures. **Waivers must be accessed online and returned to the Community Ed. Office prior to your child participating.**

### **CLASS DATES:**

Tuesday, October 4, 11, 18, 25; November 1, 8 **(6 Weeks)**

Friday, October 7, 14, 21, 28; November 4, **11\***  
**(6 Weeks)**

**\*Parents are responsible for transportation on 11/11**

**TIME:** 4:00-5:00PM

**LOCATION:** Highwater Farms, 332 North Main Street, Sharon MA

**TUITION:** \$230

## ARCHERY

Grades 3-5

Our archery class offers a comprehensive range of instruction for archers of all levels at the pace of each individual student. Our archery instructors are ready to help you achieve your archery goals, whether it just means having fun or getting a perfect score. Equipment is provided and students are guided through perfecting form in a fun environment that brings the excitement of archery to students. **Waivers must be accessed online and returned to the Community Ed. Office prior to your child participating.**

### **CLASS DATES:**

Wednesday, October **12\***, 19, 26; November 2, 9, 16 **(6 Weeks)**

**\*Parents are responsible for transportation on 10/12**

**TIME:** 4:00-5:00PM

**LOCATION:** Highwater Farms, 332 North Main Street, Sharon MA

**TUITION:** \$230

**TRANSPORTATION:** One-way van transportation will be provided for this class. Parents are responsible for picking up their children at Highwater Farms promptly by 5:00PM. If the farm driveway is full, please pull down the road or into the driveway of 328 North Main Street.

# STEAM

## LEGO ADVENTURES

Grades 2-5

Are you a Lego master? If so, it's time to show off your skills! Each week in Lego Adventures, there is a new challenge we must face: from skyscrapers to farms, bridges to airports, space stations to main streets, and everything in between! First, our Right Brain Curriculum instructors will review the history of what we are about to build: how the invention of the elevator revolutionized city skylines, how farms in the 1930s survived hordes of grasshoppers and the Dust Bowl, how aero elasticity explains why the Tacoma bridge is nicknamed "Gallopington" collapsed, etc. Then, it's time to build! You will create a model of each type of structure out of an enormous assortment of provided Legos, and of course, we thoroughly photograph each creation before we move on to our next topic. In our final week, you will create a final project landmark to show visiting parents (along with photos of your previous creations). Learning and Legos: a perfect match!

### **CLASS DATES:**

Thursday, September 29; October 6, 13, 20, 27;  
November 3 **(6 WEEKS)**

**TIME:** 3:45-5:15PM

**LOCATION:** Cottage Street Elementary

**TUITION:** \$158

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:15PM from Cottage Street Elementary Cafeteria.

## LEGO MATHEMATICS

Grades 2-5

Put away those boring math workbooks, let's learn math with Legos! 2nd-5th graders use math concepts to problem-solve as they design, plan and build Lego projects. They utilize skills including: *Multiplication and Division; Budgeting and Money; Geometry; Perimeter, and Area; Measuring and Estimation; Fractions and Decimals; Probability; Basic Algebraic Concepts.* Students will construct houses, skyscrapers, bridges and more while fulfilling specified mathematical requirements. Students will create project blueprints before each project and solve word-problems upon completion. They share and show off their projects to the class. It's the perfect way for students to apply what they learn!

### **CLASS DATES:**

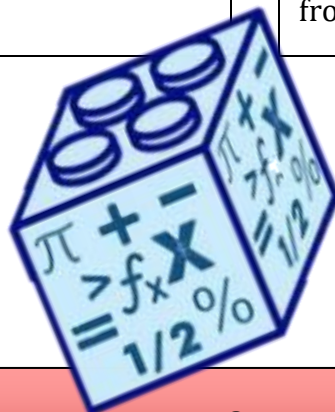

Wednesday, October 19, 26; November 2, 9, 16, 30  
**(6 Weeks) (NO CLASS 11/23)**

**TIME:** 3:45-5:15PM

**LOCATION:** Heights Elementary

**TUITION:** \$158

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:15PM from Heights Elementary Cafeteria.

# STEAM

## Digital Game Design Grades 3-5

This course introduces students to The Unreal Engine, a game development platform that is great for creating 2D and 3D games. Among the many skills students will take away from this class, some of the most important are scene design, character design, computer programming, story crafting and writing, a little physics and math, and, most importantly, imagination. With a basic knowledge of this, create worlds for different platforms, like tablets, PCs, laptops, virtual reality, and beyond. These skills can easily be applied to other disciplines, like graphic design, architecture, physics, math, computer programming, fine arts, writing, and engineering. We will be happy to equip you with the skills needed to empower your creativity! By Tinker and Create. More details at [www.tinkerandcreate.com](http://www.tinkerandcreate.com).

### **CLASS DATES:**

Wednesday, October 19, 26; November 2, 9, 16, 30  
**(6 weeks) (NO CLASS 11/23)**

**TIME:** 3:45-4:45PM

**LOCATION:** East Elementary

**TUITION:** \$153

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 4:45PM from East Elementary Cafeteria.

## Digital Game Design Grades 6-8

This course introduces students to The Unreal Engine, a game development platform that is great for creating 2D and 3D games. Among the many skills students will take away from this class, some of the most important are scene design, character design, computer programming, story crafting and writing, a little physics and math, and, most importantly, imagination. With a basic knowledge of this platform, students can begin to think about how to create worlds for different platforms, like tablets, PCs, laptops, virtual reality, and beyond. These skills can easily be applied to other disciplines, like graphic design, architecture, physics, math, computer programming, fine arts, writing, and engineering. We will be happy to equip you with the skills needed to empower your creativity! By Tinker and Create. More details at [www.tinkerandcreate.com](http://www.tinkerandcreate.com).

### **CLASS DATES:**

Tuesday, October 4, 11, 18, 25; November 1, 8  
**(6 Weeks)**

**TIME:** 2:15-3:15PM

**LOCATION:** Sharon Middle School

**TUITION:** \$153

**Please Note:** Parents are expected to arrive at the front door of Sharon Middle School promptly at 3:15PM to dismiss their students from the program. If you would like your student to be dismissed another way when the program ends you must contact the Community Ed. office.

# STEAM

## **Your Voice: Public Speaking** **Grades 2-5**

Public speaking and presentation skills are critical! We say it is never too early to start learning these talents! Elementary and middle school students who learn skills like making eye contact, using a loud voice, scanning their audience, speaking from notes and making persuasive arguments will be confident and powerful speakers. Using fun and engaging activities to teach public speaking and presentation can help make a sometimes-scary task much less daunting. Our students write and deliver informative and persuasive speeches on fun topics of their own choosing, learning how to organize what they want to say and deliver it in a powerful and persuasive manner. Students also play fun public speaking games, engage in mini-debates on kid-friendly topics and create a classroom newscast featuring news anchors, weather reports, sports updates, and movie reviews! Let's make public speaking fun!

### **CLASS DATES:**

Monday, October 3, 17, 24, 31; November 7, 14  
**(6 Weeks) (NO CLASS 10/10)**

**TIME:** 3:45-5:15PM

**LOCATION:** Heights Elementary

**TUITION:** \$158

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:15PM from Heights Elementary Cafeteria.

## **Expert Architects** **Grades 2-5**

The sky's the limit in Expert Architects! In this math, writing and presentation class, students each serve as president of a new architectural firm and are tasked with designing and building the city's next skyscraper. Students study a kid-friendly history of skyscrapers and create a blueprint of their own stylized tall building. They then must weigh other and surrounding buildings using Google Earth to find the perfect location for their project. Our expert architects create a three-dimensional model of the structure and present their work.

### **CLASS DATE:**

Tuesday, October 4, 11, 18, 25; November 1, 8  
**(6 weeks)**

**TIME:** 3:45-5:15PM

**LOCATION:** Cottage Street Elementary

**TUITION:** \$158

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:15PM from Cottage Street Elementary Cafeteria.

# STEAM

## **CHESS** **Grades 1-5**

Enter into the magical and exciting world of chess with Chess Wizards! You will participate in epic chess games, fun and interactive lessons, tournaments, team matches, trivia and more! Our specialized classes are a blast for everyone. Whether you have been playing chess for your entire life and want to improve, are brand new to the game, or you just want to have a fun experience with your friends - Chess Wizards is the place for you!

### **CLASS DATES:**

Wednesday, October 19, 26; November 2, 9, 16, 30; December 7, 14 **(8 Weeks) (NO CLASS 11/23)**

**TIME:** 3:45-4:45PM

**LOCATION:** Cottage Street Elementary

**TUITION:** \$200

**TRANSPORTATION:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly by 4:45PM at the Cottage Street Elementary Cafeteria.

## **NASA ASTRONAUT TRAINING Mission X: Train Like an Astronaut** **Grades 2-5**

In this mini course, you will perform exercises similar to the training of real NASA astronauts- We will practice training with an actual NASA curriculum that was designed to teach about strength, agility and cardiovascular endurance. There will even be crew survival challenges enhancing social emotional learning. We will have the opportunity to design and fly water rockets, and study the effects of gravity on the human body. An integral part of the class will be the assembling of NASA provided cardstock models, enabling the students to explore and study the latest in space flight vehicles.

### **CLASS DATES:**

Monday, November 7, 14, 21, 28; December 5, 12, 19 **(7 Weeks)**

**TIME:** 4:00-5:00PM

**LOCATION:** Heights Elementary School

**TUITION:** \$175

**TRANSPORTATION:** One-way van transportation will be provided for this class. Parents are responsible for picking up their child promptly by 5:00PM at Heights Elementary Cafeteria.

# THE ARTS

## **Mixed Media** **Grades 1-5**

During this 6-week course, students will explore Art History and various art techniques including Pointillism, Cubism, Van Gogh's brushstrokes and Color Theory. The only "at-home" work students will be encouraged to do is a sketch after the first lesson. For classes 2-6, students will create a mixed media picture on either canvas or Plexiglas, using the techniques they were exposed to in week 1. Students will be encouraged to learn from one another and the instructor for the duration of the course.

### **CLASS DATES:**

Thursday, September 15, 22, 29; October 6, 13, 20  
**(6 Weeks)**

**TIME:** 3:45-5:15PM

**LOCATION:** East Elementary

**TUITION:** \$160

**TRANSPORTATION:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly by 5:15PM at the East Elementary Cafeteria.

## **Theatre Class** **Grades 3-5**

Through creative games, improvisations, and coaching, this course will build skills in acting, singing, and collaboration. Students will get hands on experience and coaching from one of the areas well know drama coaches, Laura Canfield, who runs the LRC theatre program through the Marilyn Rodman Performing Arts Center in Foxboro (formerly the Orpheum).

### **CLASS DATES:**

Monday, October 3, 17, 24, 31; November 7, 14, 21 **(7 Weeks) (NO CLASS 10/10)**

**TIME:** 3:45-5:00PM

**LOCATION:** Cottage Street Elementary

**TUITION:** \$200

**TRANSPORTATION:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly by 5:00PM at the Cottage Street Elementary Cafeteria.

# ADULT EDUCATION

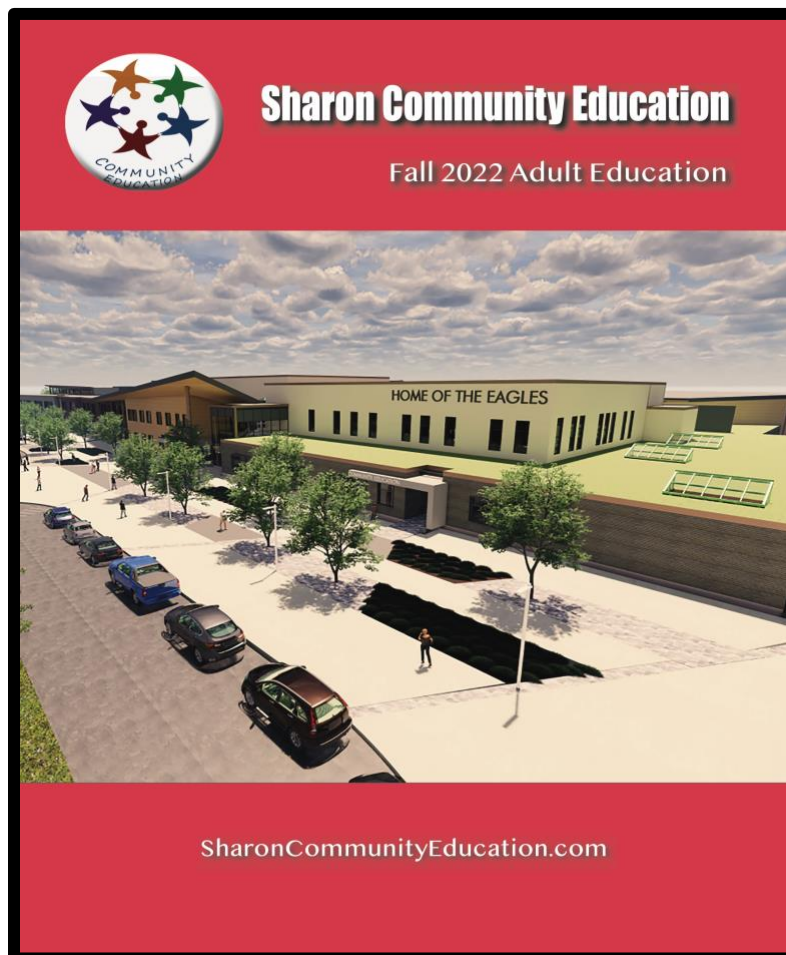

## Registration for Fall Adult Ed opens in August. Keep an eye on our website for more Information!

We have great programs coming up for Adults! We have in person daytime classes in our new program space at Sharon High School, Sports, workshops, Art classes, and more!

Adult Ed. also offers College Prep for teens and online skills and career training.

For more information and to view all our programs, please visit:  
[www.sharoncommunityeducation.com/programs/adult-education](http://www.sharoncommunityeducation.com/programs/adult-education)

Interested in running a program? Email Sara Norton at
