

AFTERCARE SEPTEMBER NEWSLETTER

Sharon
Community
Education

Welcome to a new school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in our program, our children need support from both the home, school and aftercare. We know a strong partnership with you will make a great difference in your child's experience. As partners, we share the responsibility of our children's success and want you to know that we will do our very best to carry out our responsibilities.

The wonderful Aftercare staff and I feel privileged to be a part of this programs family. We thank you for your support and look forward to meeting you.

Sincerely,

Erin McCabe
Assistant Director

PROGRAM NEWS

Review all program policies

If you need to change your child's dismissal routine (e.g. change from taking the bus to getting picked up, dismiss early for an appointment, etc.), you must email/send in a note to the school office, classroom teacher, Community Education. We recognize that much of our world now communicates digitally, and it's tempting and logical that you would like to email your child's teacher. However, we run into issues when either the teacher is out that day and unable to alert the school office, or if the email comes in during class instruction time. The teacher is usually unable to pass along the message to the appropriate parties. Also, the school office does not communicate to our office when your child is out from aftercare or is going home a different way. With all of that in mind, please send in a hard copy dismissal note to the classroom teacher and email school office as well as Bridget Maddalena, bmaddalena@sharonschools.net at Community Education before 2:00PM.

We want to thank you for your patience with the Before and Aftercare waitlist. Please know that we at Community Education are continuing to do our best to be able to accommodate as many children as we safely can into our programs with the amount of staff we have. We will contact families individually via email should space become available. If you need to make any changes to your child's schedule we will need it in writing. All changes can be sent to bmaddalena@sharonschools.net

On the Early Release days, it is important that your child has a lunch from home or it is communicated to them that they are getting a bagged lunch from school. Aftercare does not provide lunches.

REMINDERS

September 25th- Yom Kippur (No School)
