# Procedures and Guidelines

The following procedures and guidelines have been established for the After-School Enrichment programs sponsored by the Sharon Public Schools for the 2024-2025 school year:

We now offer the ability to **register and pay online through our website** at [www.sharoncommunityeducation.com](http://www.sharoncommunityeducation.com). There is **no** fee for this payment service. All families, if you haven't already done so, must create an account for the family and add the child to be registered for enrichment, as this is the method for taking attendance. Payment is required at time of registration.

If you have questions regarding any of these programs, please contact the Community Education Office, 181 Pond Street, Sharon, 781-784-1574, between the hours of 9:15 AM and 4:30 PM.

Acceptance will be on a first-come/first-serve basis. Should a class sell out a waiting list will be created.

Each program has been scheduled according to the instructor's availability, as well as the facility in which the class will be held.

Activities are run only if the school is in session with the exception of classes such as Ice Skating, Tennis, Horsemanship, and Kumon as they are held at outside venues. Classes are usually not scheduled on Early Release Days. In the event of postponement, due to weather conditions or instructor unavailability, class may be extended at the end of the scheduled session.

Snacks are **not** provided. Students attending an enrichment session should bring a snack from home.

The Sharon Public Schools reserves the right to terminate or limit a child's attendance in a program when, in the judgment of the staff, the child's behavior is inappropriate.

All programs are covered under the Town of Sharon's liability insurance policy while the programs are in session and are held on Town property. Outside venues are covered by their own policies.

All After-School Enrichment Programs must be pre-paid in full and all waivers **MUST** be completed and submitted at the time of registration. Waivers are found online at the time of registration. Also, document upload is available. If waivers are not completed at least one week before the class your child will not be able to participate in the activity.

If a child is absent from school, sent home early due to illness, or dismissed early from school then similar to procedure for after school sport activities, the child will not be able to attend Enrichment Classes later on that same day.

If a child misses the Community Education Van for any reason, parents, then emergency contacts will be notified, and they are responsible for driving the child to the program.

It is the responsibility of the parents or guardians to notify Bridget Maddalena at the Community Education office at [communityedabsences@sharonschools.net](mailto:communityedabsences@sharonschools.net) or 781-784-1574 prior to 2:00 PM, if their child will be absent from the class. Communication with the child's school does not reach us.

Children are expected to ride on the Community Education Van to all the Enrichment Programs where transportation is provided. If you choose to drive your child, stay with them, and drive them home, you must notify our office of this alternate transportation for **each** occurrence.

If a student has an outstanding tuition balance in any Community Education Program, he/she will not be eligible to participate in additional Community Education Programs, until the balance is paid.

Failure to pick up your child by the time indicated in the program description will result in a penalty fee of \$5.00 for **each** five-minute interval.

**Refund Policy:** Due to prior financial obligations, tuition is non-refundable. Refunds will only be given in the event of class cancellation, a medical limitation (a doctor's note is required), or if the class is over-subscribed. Classes are not made up due to child absence, but will be made up in the event of instructor absence or weather and emergency cancellations. Refunds are subject to a processing fee.

# ACADEMICS

## Kumon: MATH Grades 1-5

Let your child amaze you. Kumon is a program designed to help children master the basics of math and unlock the potential in each child. Students begin at a comfortable starting point, determined by our placement test, with worksheets that can be easily completed. Your child will master the basics and reach complete proficiency with each successive step. This is a wonderful opportunity for children who may be struggling in math or who would like to advance to the next level. Speed + Accuracy = Mastery.

### **CLASS DATES:**

Tuesday, October 8, 15, 22, 29; November 5\*, 12, 19, 26 (8 weeks)

**\*Parents are responsible for transportation on 11/5**

## LEGO ADVENTURES

**Grades K-1**

Are you a Lego master? If so, it's time to show off your skills! Each week we present a new building challenge: From skyscrapers to zoos, bridges to airports, malls to main streets, and everything in between! First, our Right Brain Curriculum instructors will review the history of what we are about to build: How airports graduated from landing strips to vast travel networks or how aeroelasticity explains why the Tacoma bridge nicknamed "Galloping Gertie" collapsed. Then, it's time to build! You will create a model of each structure out of an enormous assortment of provided Legos, then present your creation as we photograph and document it. Learning and Legos: Now that's an adventure!

**CLASS DATES:**

Monday, October 7, 21, 28; November 4, 18, 25  
**(6 WEEKS) (NO Class 10/14 & 11/11)**

**TIME:** 4:00-5:30PM

**LOCATION:** Heights Elementary

**TUITION:** \$180

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:30PM from the Heights Elementary Cafeteria (Door #2).

## Public Speaking

**Grades 2-5**

Public speaking can be one of life's scariest tasks, but it doesn't have to be! In this fun and engaging class, you will play improvisation games, serve as an anchor in a classroom newscast, write and act in skits, and practice making eye contact in a staring contest. Pretty soon you will be acquiring public speaking and presentation skills while having a blast. Our Right Brain Curriculum instructors will coach you in using a loud voice, scanning your audience, proper posture, making eye contact, speaking from notes, and making persuasive arguments – all while you gain confidence as a speaker. Let's make public speaking fun!

## **Writing Wizards** **Grades 2-5**

Let Your Imagination Run Wild!

Do you like stories about mythical creatures, magicians, and wizards? Or maybe you dream about going on an alien space adventure! Mermaids? Time travel? As the author, it will all be up to you, as you give life to a fantasy world of your own design. Mold your protagonist and give them some villainous bad guys to outsmart, design a breathtakingly beautiful setting or a dystopian underworld. Dream up some dizzy adventures. Our Right Brain Curriculum teachers will help you with the nuts & bolts: Giving your story a gripping conflict, “Stretching out” a scene, bringing your dialogue to life, sequencing events, and choosing those ultra-impressive synonyms. Top it all off with a dedication, “About the Author” page, illustrations, and a gorgeous cover as you become a published creative writer! Check out the program in action: <https://www.youtube.com/watch?v=Fulpzqv7lL4>

### **CLASS DATES:**

Tuesday, October 8, 15, 22, 29; November 12, 19

**LOCATION:** Cottage Street Elementary

**TUITION:** \$185

**Transportation:** One-way van transportation is provided to this program. Parents are responsible for picking up their child promptly at 5:30PM from Cottage Street Elementary (Door #5).

## **LEGO FUTURE HOUSE** **Grades 2-5**

What will life on Earth be like in the year 2124? That is the question you will ponder as our Right Brain Curriculum teachers take you on a tour of smart homes, driverless cars, robotic chefs, self-sustaining skyscrapers, and more. Learn how futurists predict life on Earth will evolve and discover how innovators around the world are changing it already. Then it will be your turn to do the imagining. You will create your own Lego house of the future – designing space-age furniture for every room in the house and a futuristic vehicle for the garage. Even the family pet will get a reboot! You will consider how virtual reality, climate change, and interactive robots could change life on Earth and beyond. So, get in your virtual time travel machine and start designing your Future House!

### **CLASS DATES:**

## Shark Tank Jr. Grades 2-5

Got an idea for a side-less taco, a shirt that never stains, or a no-spill baby bottle? Then it's time to put on your inventor's hat and design the business of your dreams! As our Right Brain Curriculum teachers get you up to speed on business plans, competition, budgets, and presentation skills, you will bring your one-of-a-kind idea to life. You will design your flagship store, write and perform in your own TV commercial, and create a prototype of a product that will change the lives of millions. Armed with your "elevator pitch," you will present your business and persuade your audience to get behind your big idea! Let's get those wheels turning — it's time to take care of business!

# TEAM BUILDING & COOPERATIVE GAMING

## DUNGEONS AND DRAGONS

Grades 2-5

Our exciting and imaginative program provides a fun and engaging way for students to develop their social, problem-solving, and teamwork skills while exploring the thrilling world of D&D.

Students are grouped into teams and assigned a dungeon master, who will guide them through a fantastical world filled with monsters, treasure, and challenges. Students will work together to overcome obstacles and complete quests, fostering a sense of camaraderie and teamwork that will serve in all areas of life.

Not only is D&D an incredibly fun and engaging game, but it also promotes creativity, imagination, and critical thinking skills. Through role-playing and storytelling, students will develop their communication and social skills, while also building their confidence and self-esteem.

Join us on an epic adventure that will leave you with memories to last a lifetime!
