

AFTERCARE JUNE NEWSLETTER

It has been a great school year with your children in our aftercare programs. Enjoy your summer break, whether you are traveling, going to camp, or just hanging around the house doing day trips. Make the most of this time to relax, explore, and create lasting memories with your loved ones. We look forward to welcoming your children back to our aftercare programs next school year for more fun and learning experiences. Have a fantastic summer!

Warm regards,

Erin McCabe

EARLY RELEASE DAYS

Early release coverage is available only to students in the Aftercare Program in Sharon Public Schools that are currently enrolled on the designated early release days listed below from their early dismissal time to 6:00PM. Again, students only attend if it is a day they are currently registered for. If the early release day is a day your child normally attends, but will not be coming, **contact the Community Ed. Office at communityedabsences@sharonschools.net or 781-784-1574 no later than 10:00AM that day.**

We also encourage you to contact your child's school office and classroom teacher to let them know as well. If someone else is picking up your child make sure they are on your authorized pickup list and have them bring an ID with them.

Each school will have a grab and go bagged lunch that students will be provided with. If your child does not want the school grab and go bagged lunch option your child should bring a lunch from home.
