

AFTERCARE NOVEMBER NEWSLETTER

Sharon
Community
Education

We've made it through another month of seesawing temperatures! The aftercare students have now settled into their routines and have been enjoying a variety of indoor and outdoor activities.

We'll be starting off November with Daylight Savings Time—meaning it will be getting darker earlier in the evenings.

Early Release Day – Wednesday, November 5

Our program will be open to students who are registered for Wednesdays. We have some exciting entertainment planned for that afternoon:

Cottage: The Rhythm Room Live

East: Mad Science

Heights: Diane Edgecomb, Storytelling

Please note that aftercare does not provide lunch on early release days. Be sure your child brings a lunch from home or orders a grab-and-go lunch from school.

As the weather continues to cool, please make sure your child is dressed appropriately for outdoor play. We try to get the children outside as much as possible!

Sincerely,

Erin McCabe
Assistant Director

Weather News

As it starts to get dark earlier and the temperature begins to drop, please make sure that your child is dressed appropriately for the playground.

We follow the Child Care Weather Watch guidelines that suggest we go outside as long as the temperature feels 20° or higher. Please be sure your child has appropriate winter clothing to be able to play safely outside, especially once the snow comes.

This means:

- a winter coat
- a winter hat-NOT a baseball hat
- winter mittens or gloves
- snow pants
- boots

Please make sure your child's name is on all items. You would be surprised how many pairs of black snow pants we get!

If we go outside and there is snow on the ground and your child doesn't have snow pants or boots, they will still go outside, but will need to stay on the hardtop only. **YOUR CHILD WILL NOT BE ALLOWED TO GO OUTSIDE IF THEY DO NOT HAVE A COAT, HAT AND MITTENS.** Please see attached charts.

In the case of snow, here are some reminders about school closings. If school is closed after care is closed. If school is delayed, before care is delayed by the same amount of time. A one hour delay in school equals a one hour delay at before school. If school is dismissed early, we are at the discretion of the Superintendent. If Dr. Botelho deems it safe to stay open, we will stay with your child until 4:00PM, if Dr. Botelho asks us to close, we will notify and you immediately of the closure.

Inclement Weather & Closing Information

School Cancellation: All Communication Education Programs including Before-School Care, After-School Care, are CANCELED on "SNOW DAYS" and for other system-wide emergencies. There will be NO Community Education Programs when school has been canceled. Because some of our Enrichment Programs are held in locations other than school, Enrichment classes may still be held. Check the Community Education website to find out if class is held. Official school cancellation announcements will be communicated via text, email, and/or phone call to the contact information we have on file.

Delay of School: In the event of a school opening delay, Before-School Care will also be delayed. If school is delayed an hour, Before-School Care will open at 8:15AM, if there is a 90 minute delay, the program will open at 8:45AM, a two hour delay the program will open at 9:15AM.

Community Ed. Cancellation: During the regular school day, if students are dismissed early from their schools due to a storm, impending storm, or other emergency, there will be After-School Care as soon as the students are released to us until 4:00PM, unless the Superintendent determines that for safety reasons we close at an earlier time.

PROGRAM NEWS

Review all program policies

If you need to change your child's dismissal routine (e.g. change from taking the bus to getting picked up, dismiss early for an appointment, etc.), you must email/send in a note to the school office, classroom teacher, Community Education. We recognize that much of our world now communicates digitally, and it's tempting and logical that you would like to email your child's teacher. However, we run into issues when either the teacher is out that day and unable to alert the school office, or if the email comes in during class instruction time. The teacher is usually unable to pass along the message to the appropriate parties. Also, the school office does not communicate to our office when your child is out from aftercare or is going home a different way. With all of that in mind, please send in a hard copy dismissal note to the classroom teacher and email school office as well as the Community Education at **communityedabsences@sharonschools.net** before 2:00PM.

We want to thank you for your patience with the Before and Aftercare waitlist. Please know that we at Community Education are continuing to do our best to be able to accommodate as many children as we safely can into our programs with the amount of staff we have. We will contact families individually via email should space become available. If you need to make any changes to your child's schedule we will need it in writing. All changes can be sent to bmaddalena@sharonschools.net

On the Early Release days, it is important that your child has a lunch from home or it is communicated to them that they are getting a bagged lunch from school. Aftercare does not provide lunches.

School Procedures/Policies

The Sharon Public Schools has a zero-tolerance policy for any behavior that interferes with the rights of others. This may include but is not limited to verbal threats, physical aggression, and any actions that endanger the safety of other students or adults. Such actions will result in a student being subject to suspension. The Assistant Director may issue an emergency suspension when the student's actions and/or threats pose a potential danger to persons or property, and will immediately notify the Superintendent. The Police Department may be notified. Suspension is defined as separating the student both from other students and from regular school activities. The suspension may be implemented in school or out of school. When a student's action warrants a suspension, written notification will be sent to the parents.

GENERAL RULES

1. Sexual harassment is prohibited by both federal and state statutes and will not be tolerated in the Sharon Public Schools.
2. Be courteous and kind to others. VERBAL DISRESPECT IS NOT TOLERATED.
3. Be considerate of the ideas and feelings of others.
4. Respect the rights and property of others.
5. Follow the directions of adults in authority.
6. Dangerous or illegal materials, or weapons are not allowed in school.
7. Appropriate school attire is expected at all times.
8. Clothing displaying offensive pictures, words, or slogans (i.e., promoting alcohol, drugs, etc.) is not allowed. Anyone wearing an inappropriate tee-shirt will be asked to turn it inside out. Clothing should also be both appropriate to the season and not too physically revealing. (For example, spaghetti straps, very short shorts or exposed midriffs are not allowed.)
9. Chewing gum and candy are not allowed.
10. Pushing, shoving, rough play, and fighting is unacceptable at any time.
11. Use of obscene, abusive, or profane language or gestures is unacceptable.
12. Take care of all materials, property, and equipment throughout the school.
13. Refrain from shouting or using loud voices in a school building.
14. RUDE OR DISRUPTIVE BEHAVIOR AT ANY TIME IS NOT ALLOWED.
15. Have your best manners ready at all times for visitors, guests, staff and presentations.
16. Help keep the school attractive, clean, and safe. Please use trash barrels inside and outside the building.
17. Walk into the school and walk at all times inside the school.
18. Items that are deemed inappropriate for a school setting will be taken away.
19. While school/aftercare is in session, children and adults are not permitted to wear head coverings except for religious purposes.

School Procedures/Policies

It is the belief of the Sharon School Committee and the Administration that the best interests of our students are served whenever teachers and parents work together on behalf of the children. Therefore, it is essential that all attempts to resolve problems be initiated quickly and carefully.

The Sharon School Committee has adopted the following guidelines to be used by parents or the public in order to expedite information giving and/or problem solving:

- (1) Questions and problems concerning individual students must first be addressed to the lead instructor in question.
- (2) If unresolved, these matters and/or problems concerning individual students, departments, or schools should be directed to the Assistant Director of Community Education.

Playground Rules

1. Play in designated areas.
2. No one may leave the playground area without the permission of an adult.
3. On swings, swing back and forth only. No standing, twisting or side-ways movement is permitted on swings.
4. The following activities are considered dangerous and are not allowed on the playground:

Tackle football

Games played with a hard ball

Rock and sand throwing

Throwing snowballs

Pushing, shoving, kicking, wrestling, and rough play

School Procedures/Policies

TOYS

Children are not allowed to bring toys, electronic devices, iPods/Music players, Trading cards or other fads, or valuable items to school. Too often they are lost, misplaced or traded and are distracting to the learning environment.

ELECTRONIC DEVICES

Electronic devices and equipment, including but not limited to cell phones, music players, smart devices (including smartwatches), video-game systems, CD and/or DVD players, laser pointers, voice or video recorders, portable radios or televisions are not to be turned on, used, or visible during the school day unless written or verbal permission has been granted by the administration. (In emergency situations, violations of this policy will be taken into consideration.)

Students found using any of the aforementioned electronic devices in violation of this policy will be directed to the administration at the school and the device will be confiscated and returned to the student at the end of the day.

The Assistant Director has the right to adapt or modify any consequences on a case by case basis.

It should also be noted that the school/Community Education is not in any way responsible for lost or stolen property; therefore, it is our expectation that students who find items of value, such as electronic devices, return them to the office immediately. Failure to do so will subject a student to the disciplinary consequences associated with being in possession of stolen property.

CELL PHONES

Since cell phones/smart watches are very common, they must be turned off before entering the building. Cell phone use including but not limited to the following are not allowed in school: making/receiving calls, text messaging, emailing, use of social media, taking photographs, and recording video. No form of photography or video recording is permitted on school property, including on school-provided transportation. Owners of cell phones should be cognizant of the legal difficulties that improper use can present.

EARLY RELEASE DAYS

Early release coverage is available only to students in the Aftercare Program in Sharon Public Schools that are currently enrolled on the designated early release days listed below from their early dismissal time to 6:00PM. Again, students only attend if it is a day they are currently registered for. If the early release day is a day your child normally attends, but will not be coming, **contact the Community Ed. Office at communityedabsences@sharonschools.net or 781-784-1574 no later than 10:00AM that day.**

We also encourage you to contact your child's school office and classroom teacher to let them know as well. If someone else is picking up your child make sure they are on your authorized pickup list and have them bring an ID with them.

Each school will have a grab and go bagged lunch that students will be provided with. If your child does not want the school grab and go bagged lunch option your child should bring a lunch from home.

KAYMBU

Every Friday at 8:00 PM, you will receive an email from Kaymbu with photos from the week's aftercare activities. These emails provide a wonderful glimpse into what the students have been doing, often including captions that explain the projects and activities. Kaymbu acts as a visual newsletter, making it fun to look through the photos with your child.

This is a great opportunity for families to reflect on all the exciting experiences your child has enjoyed in our program throughout the week. While our staff tries their best to photograph every child on the approved list, their main focus is documenting the activities. Children who attend more frequently tend to appear in more photos, so please don't be concerned if your child's photos are fewer in number. Our staff is busy but committed to capturing special moments!

The Kaymbu app sends one email per family to the email address we have on file. You are welcome to forward the email to other family members. Individual photos can also be downloaded for your convenience.

If you do not receive the email, please check your junk or spam folder. If it's not there, let me know so I can assist you.

Please note: Only families who have given permission for their child to be photographed will receive these emails. Children on the "No Photo" list will not be photographed or included in the emails.

Thank you for being part of our community!

POP TAB WARS

From Monday, November 3, 2025 through Friday, May 22, 2026, all programs will be collecting pop tabs to benefit Ronald McDonald House Charities.

How to Participate:

Students who want to join will receive a large Ziploc bag to fill with pop tabs and return to their program for collection.

There will also be a bin at the sign-out desks for dropping off any loose tabs.

Tabs will be collected and weighed at the end of each week. Last year's winners were:

East – 65.2 lbs

Heights – 49.5 lbs

Cottage – 35.3 lbs

All donations will be delivered to the Ronald McDonald House in Providence, RI.

Why Donate Pop Tabs?

Pop tab donations help families physically, economically, and emotionally during their healthcare journey. Ronald McDonald House programs reduce stress and financial burdens for families who must travel far from home to access medical care for their child. Every tab truly makes a difference!
