

AFTERCARE MARCH NEWSLETTER

Education

We hope everyone managed to stay safe and warm during the blizzard, one we haven't seen the likes of in nine years! It has certainly been an eventful stretch of winter.

With four school closings so far, the last day of school is now projected to be Tuesday, June 23, provided we do not have any additional snow days.

March is here, and we are looking forward to the change in seasons! A few important dates and exciting updates to share:

- Daylight Saving Time: Daylight Saving Time begins on March 8. Don't forget to set your clocks ahead one hour!
- First Day of Spring: The first day of spring is March 20 — we are ready to welcome warmer weather and more outdoor fun!
- No Aftercare – Early Release Days: Please note there will be no aftercare on March 19 and March 20. On March 24 (Early Release Day), we are excited to welcome the following special programs at 2:00 PM in the Café:

Cottage – Diane Edgecomb: Folktale Superheroes Around the World

East – Tanglewood Marionettes presents “Cinderella”

Heights – Yoyo Show

We are thrilled to bring these engaging enrichment experiences to our students!

Cheering on Team USA!

In support of Team USA Figure Skaters competing in the 2026 Winter Olympics in Italy, Heights Aftercare students created posters to cheer on the athletes.

With the help of Mr. Vigorito's son, who knows many of the Olympic skaters, we were able to send our messages of encouragement directly to the team to show our support from home.

We are so proud to stand behind these incredible athletes and wish them the very best of luck on the ice!

Warmly,

Erin McCabe
Assistant Director

Weather News

As it starts to get dark earlier and the temperature begins to drop, please make sure that your child is dressed appropriately for the playground.

We follow the Child Care Weather Watch guidelines that suggest we go outside as long as the temperature feels 20° or higher. Please be sure your child has appropriate winter clothing to be able to play safely outside, especially once the snow comes.

This means:

- a winter coat
- a winter hat-NOT a baseball hat
- winter mittens or gloves
- snow pants
- boots

Please make sure your child's name is on all items. You would be surprised how many pairs of black snow pants we get!

If we go outside and there is snow on the ground and your child doesn't have snow pants or boots, they will still go outside, but will need to stay on the hardtop only.

YOUR CHILD WILL NOT BE ALLOWED TO GO OUTSIDE IF THEY DO NOT HAVE A COAT, HAT AND MITTENS. Please see attached charts.

In the case of snow, here are some reminders about school closings. If school is closed after care is closed. If school is delayed, before care is delayed by the same amount of time. A one hour delay in school equals a one hour delay at before school. If school is dismissed early, we are at the discretion of the Superintendent. If Dr. Botelho deems it safe to stay open, we will stay with your child until 4:00PM, if Dr. Botelho asks us to close, we will notify and you immediately of the closure.

Inclement Weather & Closing Information

School Cancellation: All Communication Education Programs including Before-School Care, After-School Care, are CANCELED on "SNOW DAYS" and for other system-wide emergencies. There will be NO Community Education Programs when school has been canceled. Because some of our Enrichment Programs are held in locations other than school, Enrichment classes may still be held. Check the Community Education website to find out if class is held. Official school cancellation announcements will be communicated via text, email, and/or phone call to the contact information we have on file.

Delay of School: In the event of a school opening delay, Before-School Care will also be delayed. If school is delayed an hour, Before-School Care will open at 8:15AM, if there is a 90 minute delay, the program will open at 8:45AM, a two hour delay the program will open at 9:15AM.

Community Ed. Cancellation: During the regular school day, if students are dismissed early from their schools due to a storm, impending storm, or other emergency, there will be After-School Care as soon as the students are released to us until 4:00PM, unless the Superintendent determines that for safety reasons we close at an earlier time.

PROGRAM NEWS

Review all program policies

If you need to change your child's dismissal routine (e.g. change from taking the bus to getting picked up, dismiss early for an appointment, etc.), you must email/send in a note to the school office, classroom teacher, Community Education. We recognize that much of our world now communicates digitally, and it's tempting and logical that you would like to email your child's teacher. However, we run into issues when either the teacher is out that day and unable to alert the school office, or if the email comes in during class instruction time. The teacher is usually unable to pass along the message to the appropriate parties. Also, the school office does not communicate to our office when your child is out from aftercare or is going home a different way. With all of that in mind, please send in a hard copy dismissal note to the classroom teacher and email school office as well as the Community Education at communitydabsences@sharonschools.net before 2:00PM.

We want to thank you for your patience with the Before and Aftercare waitlist. Please know that we at Community Education are continuing to do our best to be able to accommodate as many children as we safely can into our programs with the amount of staff we have. We will contact families individually via email should space become available. If you need to make any changes to your child's schedule we will need it in writing. All changes can be sent to bmaddalena@sharonschools.net

On the Early Release days, it is important that your child has a lunch from home or it is communicated to them that they are getting a bagged lunch from school. Aftercare does not provide lunches.

The Police Department may be notified. Suspension is defined as separating the student both from other students and from regular school activities. The suspension may be implemented in school or out of school. When a student's action warrants a suspension, written notification will be sent to the parents.

School Procedures/Policies

It is the belief of the Sharon School Committee and the Administration that the best interests of our students are served whenever teachers and parents work together on behalf of the children. Therefore, it is essential that all attempts to resolve problems be initiated quickly and carefully.

The Sharon School Committee has adopted the following guidelines to be used by parents or the public in order to expedite information giving and/or problem solving:

- (1) Questions and problems concerning individual students must first be addressed to the lead instructor in question.
- (2) If unresolved, these matters and/or problems concerning individual students, departments, or schools should be directed to the Assistant Director of Community Education.

Playground Rules

1. Play in designated areas.
2. No one may leave the playground area without the permission of an adult.

School Procedures/Policies

TOYS

Children are not allowed to bring toys, electronic devices, iPods/Music players, Trading cards or other fads, or valuable items to school. Too often they are lost, misplaced or traded and are distracting to the learning environment.

ELECTRONIC DEVICES

Electronic devices and equipment, including but not limited to cell phones, music players, smart devices (including smartwatches), video-game systems, CD and/or DVD players, laser pointers, voice or video recorders, portable radios or televisions are not to be turned on, used, or visible during the school day unless written or verbal permission has been granted by the administration. (In emergency situations, violations of this policy will be taken into consideration.)

Students found using any of the aforementioned electronic devices in violation of this policy will be directed to the administration at the school and the device will be confiscated and returned to the student at the end of the day.

The Assistant Director has the right to adapt or modify any consequences on a case by case basis.

It should also be noted that the school/Community Education is not in any way responsible for lost or stolen property; therefore, it is our expectation that students who find items of value, such as electronic devices, return them to the office immediately. Failure to do so will subject a student to the disciplinary consequences associated with being in possession of stolen property.

CELL PHONES

Since cell phones/smart watches are very common, they must be turned off before entering the building. Cell phone use including but not limited to the following are not allowed in school: making/receiving calls, text messaging, emailing, use of social media, taking photographs, and recording video. No form of photography or video recording is permitted on school property, including on school-provided transportation. Owners of cell phones should be cognizant of the legal difficulties that improper use can present.
